## QUOTE OF THE WEEK

*“Victory is Always possible for the person who Refuses to stop Fighting.”*

## QUOTE OF INSPIRATION

Our Sabbath-schools are nothing less than Bible societies, and they may embrace far more than they have hitherto done in the sacred work. They possess a power, if rightly managed, and are capable of doing a good and great work; If properly conducted, the influence growing out of the Sabbath-school will improve and enlarge the church, instead of diverting the interest from the church, and concentrating it in the school. There is a most precious missionary field in the Sabbath-school. {SSW, October 1, 1886 par. 1}

At an early hour of the evening, when you can pray unhurriedly and understandingly, present your supplication, and raise your voices in happy, grateful praise. Let all who visit Christians see that the hour of prayer is the most sacred, the most precious, and the happiest hour of the day. Such an example will not be without effect. These seasons of devotion exert a refining, elevating influence upon all who participate in them. Right thoughts and new and better desires will be awakened in the hearts of the most careless. The hour of prayer brings a peace and rest grateful to the weary spirit; for the very atmosphere of a Christian home is that of peace and restfulness. {ST, December 17, 1885 par. 7}
